LEGACY PARK – IN MEMORY OF HELEN AND RICH DEVOS

We are excited to announce the dedication and naming of the new Township park along the Thornapple River and River Street! This new park will be named "Legacy Park – in memory of Helen and Rich DeVos". The generosity of the DeVos family along with dozens of other donors to the Envision Ada initiative have made this new community park possible.

The park contains walking paths, a picnic area, a playground, a river overlook, and will soon include an amphitheater. The majority of the park is completed at this time, but please be cautious as construction of the amphitheater will continue into the summer.

As Legacy Park nears completion, we invite you to be a part of it as well! Donations for the Envision Ada initiative, which includes Legacy Park and the future Amy Van Andel Library and Community Center, are still being accepted. You can come to the park and see a brick engraved with the names of your family

members or business. We would love for our community to be a part of this great new community asset!

If you are interested in buying a brick or paver or in making a general donation, please contact Brian Hilbrands at bhilbrands@adatownshipmi.com or visit the campaign website at OurNextChapterAda.org.

Note: The Cadence is no longer being published by MLive as of the end of January, 2019.

If you would prefer receiving the AdaView via email, please email the Clerk's office at: jsmith@adatownshipmi.com.

Although we are not holding the celebration after this year's parade due to the aforementioned construction, we encourage you to stop by the Classic Car Show (see 2nd column of this page), frequent our local businesses, visit "Legacy Park - in Memory of Helen and Rich DeVos," or just check out all the changes within the Village.

Fear not, the celebration itself will once again return next year when some of the dust has settled! We look forward to seeing you on the 4th!

BREAKFAST IS SERVED!

Join us July 4, 2019 from 7:00 a.m. – 9:30 a.m. for the best pancakes in town!

Come out and let your firefighters serve up a delicious pancake and sausage breakfast for you and the family on the 4th of July. Our team served up its first July 4th breakfast 29 years ago in front of the Carriage House Realty building on Ada Drive with supplies coming from Adgates grocery store. How's that for a little bit of history! Over the years we have added new equipment and are able to serve over 800 guests in just a few hours.

CAR SHOW JULY 4TH

The Community Church will be the site again this year for the annual July 4th car show. Nearly 100 cars from all over the area will be on display for you to enjoy, from Cadillac's to Corvette's, old to new, there is something for everyone. Stop by after the parade and check out the show. If you would like to enter your vehicle, contact Fire Station One at (616) 676-2376 for more information.

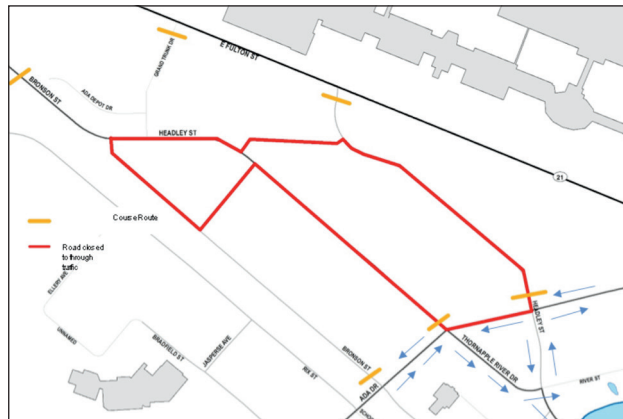

ADA CLASSIC CRITERIUM

After a hiatus of several years, a criterium cycling race will be returning to the Village on Saturday, June 15. The Ada Classic Criterium is a series of closed course cycling races with events for different age groups, genders and ability levels. The first race is scheduled to begin at noon. **Road closures** for the event will extend from approximately 11:00 a.m. to 7:00 p.m. and will include portions of Ada Dr., Headley St., Bronson St., Teeple St. and Thornapple River Dr., as shown on the map below.

Residents on the affected streets will be able to travel to and from their homes during brief intervals between individual race events, by alerting a nearby course monitor, or by calling a phone number that will be provided to residents by the race organizers.

Ada Dr. between Headley St. and Thornapple River Dr. will be open to one-way traffic heading west from the Fulton St. direction. The **detour route** for eastbound Ada Drive towards Fulton St. will follow Thornapple River Drive to Headley Street.

More information can be found at the event website: <https://adacrit.com/>

CHANGES TO 4TH OF JULY BOOK SALE AIM TO OFFER MORE COMFORT AND FLEXIBILITY TO SHOPPERS

The Friends of the **Cascade Library** are making some changes to the format of their annual 4th of July used book sale. The expanded event will be a 3-day sale from July 3 to July 5, bringing most of the displays indoors to escape the heat and freeing up more parking close by for customers. This year the Friends will be displaying approximately 40,000 books for all ages and interests.

Doors open for members-only on July 3 from 9 a.m. – 10 a.m. and for the general public from 10 a.m. – 4 p.m. The "Main Event" on July 4 will have books both inside and outside from 8:30 a.m. – 3 p.m. The sale will conclude, with some special discounts for everyone, on July 5 from 9 a.m. – 2 p.m.

KEEPING YOUR FIREFIGHTERS SAFE

Thanks to a generous donation from Steve Nicolas and Central States Property Management, along with proceeds from last year's Brats & Bonfires event at the Fire Station, our firefighters now have the newest in Nomex hoods. These hoods, worn during fire suppression, protect our members from the extreme 1000+° temperatures we face during a fire, while also reducing the risk of cancer causing particulates by 98%. Cancer is very prevalent in the fire service across the country with some departments reporting 1 out of 3 with some form of cancer. This is one step we are making to help protect our firefighters. Thanks to our community for supporting the Brats & Bonfire event so we can have the best equipment for our team. Hope to see you this October 18, for the annual event!

CLOSE THE DOOR BEFORE YOU SNORE

We never know when a fire will strike; one of the best ways to survive a fire is as simple as sleeping with your door closed. With a bedroom door closed, you can have a greater chance of keeping heat, smoke and flames out of your room. With a hollow core door you can get up to five minutes of time to escape through a window or different route.

Tonight remember to **Close the Door Before You Snore.** It could save your life!

Closed door

Open door

REMEMBER ... We recommend a smoke detector on every floor and in every bedroom, and that twice a year batteries should be replaced. An easy way to remember is change the battery when you change your clocks. Detectors should also be replaced every TEN years. If you have any questions about detectors or a fire escape plan for your family, please give us a call.

Fire Station One: (616) 676-2376.

ADA FARMERS MARKET

Stop the presses! More change is on the way!

Remember the spring Adaview edition, where we wrote about moving the location of the market and the time due to construction?

Well, scratch that and expect to see us where we've always been. Due to unanticipated modifications in the shopping district's construction schedule (where we had planned to set up this summer) we are holding off and the market will stay in the original Community Church parking lot.

Also notice, the time has been pushed forward to 9 and not 9:30 a.m., still closing at 2 p.m. As the summer continues, the heat kicks up and so will dust from the library construction. We hope this will minimize the effect of both on your fresh products.

Many apologies for the flip flop, but as everyone knows, construction changes can unexpectedly alter plans. However, on the positive side, the build out is closer to completion!

This season at the market, expect to find locally-grown or made products from over 30 vendors. We're excited to see many favorite vendors once again and can't wait to introduce you to some new ones!

Chef in the Market program will return every *third Tuesday* of the month. Shoppers can taste a local chef's interpretation of market fresh, showcasing different varieties of fruits or vegetables from the vendors.

Popular programs, Kids in the Market and Music in the Market, are also back.

Join us this summer and bring your personal version of local fresh home each Tuesday. From **9 a.m. to 2 p.m.**, it's where the best in healthy goodness comes together; farmers, bakers, and community kitchens, all in one convenient location! See you soon at the market!

June 4th – October 29th
9 a.m. until 2 p.m.
