SHOP WITH A SHERIFF

Christmas is fast approaching and I wanted to take the opportunity to talk about the Shop with a Sheriff program. The Shop with a Sheriff program was created to help families that are struggling to get much needed items for their children at Christmas. The families that participate in this program get a one on one experience with a Sheriff's deputy. The children are paired with a Deputy and they walk through the store together. They pick out items on a list provided by mom or dad. The list contains some needed items such as hats, coats and seasonal clothing. We also make some room so the child can pick out something they choose, such as a toy.

I have participated in this program for several years now and each year it excites me. A couple of years ago I received a call after posting something about this program and the woman told me that her children had participated years ago. She thanked me for taking them and told me that it had meant so much to her children that they have talked about it years later. After hearing

her tell me the impact that this program can have on a family, I realized the experience provided is not just immediate; it is long lasting!

This program exists completely based on donations from the community. Many businesses and individuals have helped this program succeed for many years. I would ask you to consider supporting the Shop with a Sheriff program this year. The average cost per child is \$150. We normally have over 100 children that participate. The donation is tax deductible. If you are interested in donating, please send a check to the Community Services Office at 701 Ball Ave NE Grand Rapids MI 49503. Please make the check payable to the Community Action Fund / Shop with a Sheriff. Thank you.

Hope you have a wonderful holiday season,
Ryan Roe
Community Policing Officer

Note: A limited number of "Cadence" issues are available at the Township offices, in the lobby, on Mondays.

NEWS FROM ADA TOWNSHIP FIRE CHIEF

WINTER SLIDE-OFFS: LOOK FOR THE YELLOW CAUTION TAPE

Your Ada Fire Department responds to vehicle accidents when there is an injury or if a caller is not aware of any injuries. During the winter months it is often just a slide off with no injuries. When we respond to a slide off and a wrecker is not readily available, we flag the car with yellow caution tape. If you see a vehicle with yellow caution tape, know that it has been reported and emergency responders have already investigated. Stay safe on the roads this winter and please MOVE OVER AND SLOW DOWN at accident scenes.

DO YOU HAVE YOUR CARBON MONOXIDE DETECTOR?

With the cold weather upon us our homes are closed up tight with the furnace and other appliances operating. Make sure that you have a carbon monoxide detector operating to protect your family in the event of a problem with a fuel fired appliance. Carbon monoxide is an odorless gas that can cause illness and even death. With an operating detector you will be alerted to the gas in your home. If your alarm does go off, evacuate the house, call 911 and your Ada Fire Department will come out to check for any leaks.

THE NIGHT BEFORE CHRISTMAS BY MRS. CLAUS

Mrs. Claus will be reading her favorite book to all her visitors during the Tinsel, Treats & Trolleys event. Stop by the Ada Fire Station to enjoy her story telling and enjoy a s'more from the camp fire..... made up for you by our Ada Firefighters. See you on December 1st!

GET YOUR HOT DOGS!

Your firefighters will be serving up hot dogs & brats along with soda and water at the annual Chili Cook Off on Saturday, December 2. Stop by, say hi, and grab a hot dog and don't forget to get your **fire department badge**. We will keep the food hot and the pops cold!

ADA RECEIVES \$50,000 MCACA GRANT

Ada Township is very happy to announce the receipt of a \$50,000 capital improvement grant from the Michigan Council for Arts and Cultural Affairs (MCACA). This grant has helped push the Historical Society even closer to the campaign goal of \$669,000 toward the new addition to the museum building. Check out MCACA's facebook page: www.facebook.com/mcacaarts.

FIRE DEPARTMENT GIFTED AIR FILL STATION

Each time a firefighter enters a fire they wear a self-contained breathing apparatus, this supplies clean breathing air to the firefighter. A bottle will last approximately 40 minutes. After a fire, the bottles are refilled at a facility off site. Thanks to a generous donation by the Amway Corporation, Ada Fire Station One now houses a breathing air fill station. This will allow our team to fill bottles immediately without leaving the area as well as filling bottles for neighboring departments.

Thank you Amway!

FIRE FIGHTERS WANTED

Have you ever thought about becoming a firefighter? The Ada Fire Department is made up of 20 paid on call firefighters and we need you to be part of our team! As a POC firefighter we pay you, train you, and outfit you with gear to respond to emergencies in Ada and surrounding areas. All of our firefighters have other careers and respond to emergencies in their off time. If you are interested, give us a call or stop by the station to ask some questions, check out the equipment and see if it is for you. You have the opportunity to make a difference in your community, and learn lifesaving skills while meeting and training with new friends.

AUTUMN VILLAGE UPDATE

There has been significant positive momentum in Ada Village over the last several months – from Township events to the reconstruction of Ada Drive, to the relocation of Village businesses. Here's a quick overview to keep you in the know.

- ☛ **ADA DRIVE** – As you know, Ada Drive is now fully open to all traffic! This tremendous undertaking, with its inevitable challenges, was completed on schedule for a Labor Day opening. Finishing work with utilities and landscaping on the edges is expected to be wrapped up soon.
- ☛ **SITE FOR NEW LIBRARY/COMMUNITY CENTER** – Following a joint township work session, the Ada Township Board approved the location of the proposed library and community center on the south side of Headley Street, adjacent to The Community Church. Plans for the capital campaign to raise funds for this project are underway.
- ☛ **NEW BUILDINGS WELCOMING TENANTS** – Michigan Software Labs and Pilates of East join Artisan Flowers and Peacock Alley in the newly constructed Ada Drive Plaza Building, with Edward Jones and Gravel Bottom Brewing Company soon to follow. The Ada First Building, owned by Dixon Architecture and DMC Design, celebrated a fully occupied building with Alkalign Studios, Lown Homes and Union Bank. Look for more news as additional businesses move in and join our Ada community!
- ☛ **GRAND OPENINGS & GROUNDBREAKING CELEBRATIONS** – Kingma's Market opened its doors September 11, and on September 18 Vitale's celebrated the grand opening of its new location on Fulton. McDonald's and Zeytin Turkish Restaurant broke ground in September. Additionally, Spectrum Health anticipates the opening of their new Fulton Street facility in February.
- ☛ **NEW RESIDENTIAL DEVELOPMENT** – Construction has begun on The Bronson Street Residences, the new 25-condominium development at the corner of Bronson and Headley Streets. Construction is also underway on a second 4-unit townhome building in the Riverpoint of Ada development at Ada Drive and Rix Street, as well as the first of 4 new single family homes in the Cottages of Ada development at the corner of Ada Drive and Bradfield Street.
- ☛ **NEW RETAIL & OFFICE SPACE** – The Township has also approved the construction of two new 2-story buildings planned for retail and office use, and a third building with retail and residential use in the redeveloping shopping center area, none of which have yet begun construction. Continued interest from developers and businesses serves as another indicator that Ada Village is thriving!
- ☛ **NEW ROADS** – The construction of the new River Street and continuation of Settlers Drive (between Ada Drive and River Street) is well underway and will be completed by the end of the year.
- ☛ **THORNAPPLE RIVER WATER MAIN CROSSING** – Construction of a new water main extending underneath the Thornapple River and extending along Thornapple River Drive to Fase Street is in progress. The purpose of this project is to provide a secondary source of water supply and enhanced service reliability to water system customers on the east side of the Thornapple River.
- ☛ **BEERS AT THE BRIDGE** – And finally, thank you for making this summer's concert series the most successful season yet! Overall attendance topped 6,000. Stay tuned for the 2018 summer lineup!

BUILDING EXCITEMENT FOR ADA'S MUSEUM

Fundraising efforts for the Museum Expansion Project officially started this past March 27. Now, eight months later, we are getting very close to reaching the campaign goal of \$669,000. Have you watched the thermometer rise on the fundraising sign along Headley Street?

We're pleased to report that overall response has been positive and community support has been strong. A \$50,000 Capital Improvement Grant awarded to Ada Township from the Michigan Council for Arts and Cultural Affairs has been a significant contribution toward the project. Please contact the Ada Historical Society or visit our website if you would like to know more about this impactful project.

'TIS THE SEASON FOR...

- * **GIFTS FROM ADA** - Let us help you manage that gift list this year. The museum gift shop is the place to buy Ada-themed gifts for your family and friends, from artwork prints of village landmarks to our recent book, *The Next 50 Years in "A Snug Little Place"* Ada Michigan 1930-1980, and more.
- * **GIFTS FOR ADA** - We ask that you consider AHS in your holiday and year-end giving this year. A gift to the current Museum Expansion Project is a gift to the Ada community. Plans to expand the museum will enable AHS to engage the community in a new learning and meeting space and to preserve Ada's past well into the future. For more info on how you can help, stop by the museum, visit our website, or call AHS Board Member Betty Jo Crosby at 949-0417.

TECH HELP NEEDED

Do you have computer tech skills and a few hours once a month to volunteer? We are looking for help with the museum office computer – updating, backing-up, and other basic support. AHS is a small, volunteer-run, non-profit organization and a small amount of your time could make a big impact. Please email AdaHistoricalSociety@gmail.com if you can help. Thank you!

The Community church, in the heart of the village and home to the Ada Farmer's Market, descends from the Reformed Church of Ada who met in this building on the same site. By 1901, the church was being rented for 50 cents per Sunday service to the newly-forming Reformed Church by previous occupants, the Methodist Episcopal Church who built it in 1871. The old church was torn down in 1968 to make way for the new.
