ENVISION ADA CONSTRUCTION UPDATE

After the hectic street construction schedule of summer, 2016, the fall and winter seasons will be relatively barricade-free on the streets in Ada Village. Construction work on new development will continue into the fall and winter however, including the new Kingma's Market and related parking area, as well as utility and road construction on the Riverpoint of Ada development site, on Ada Drive. Utility construction for the Riverpoint site may require short-term lane closures or road closures on Ada Drive, near the railroad viaduct.

In anticipation of Ada Drive re-construction beginning next spring, a temporary driveway into the shopping center and temporary shopping center parking will be installed this fall, from a new driveway access off new Headley Street. Some private utility re-location along Ada Drive may also be completed over the winter.

Also scheduled for completion this fall is the addition of 22 more head-in parking spaces adjacent to the rail line on Bronson Street, west of the existing 30 spaces located just west of the pedestrian tunnel under the railroad.

Major re-construction activity and traffic detours on Ada Drive between Fulton Street and Headley St. will begin in March, 2017. More detailed information regarding the start date, phasing of construction, traffic impacts and temporary access plans will be provided closer to the start date. Completion of the Ada Drive project is planned by July, 2017.

Follow the Ada Village Facebook page and the adamichigan.org web site for construction updates.

25 YEARS AGO . . .

From The Spring 1991 Adaview . . .

Ada resident wrote about the changes in the township – “Living in Ada was totally delightful. I should have known, however, that change was inevitable, for both better and worse! A traffic light at the intersection of Ada Drive and Thornapple River. Imagine, enough traffic was now being generated in once sleepy Ada to make the old stop sign inadequate!”

Also, from August, 1991 Adaview . . .

“The public is welcome at the Dedication & Community Open House at the new Ada Post Office on Wednesday, Sept 4th . . .” (and stamps being purchased at 29 cents each!!)

Note: A limited number of “Cadence” issues are available at the Township offices, in the lobby, on Mondays.

If you would prefer receiving the AdaView via email, please email the Clerk's office at: jsmith@adatownshipmi.com.

ELECTIONS UPDATE

The State Primary election was held in August. In Ada Township, over 25% of the registered voters voted in this election. There were two millage proposals on the ballot, and both of them passed by a substantial margin.

In the Republican race for Ada Township Treasurer, Kevin Moran was the winner. He faces no competition for the November ballot.

November 8 is the next election date. This will be the General election in which we will elect our next President of the United States, as well as state and local officials. If you are not currently registered to vote, you must do so by October 11 in order to vote in the November election.

We are always looking for election inspectors. If you are interested, please call the township Clerk's Office at 676-9191, x 20 or 21, or email dthompson@adatownshipmi.com or jsmith@adatownshipmi.com.

THANK YOU FOR YOUR SUPPORT OF THE RECENT ADA TOWNSHIP FIRE MILLAGE

With this approval we are in the planning process to provide the citizens and visitors to the township with a more efficient response to all emergency events. The department is your first response to medical emergencies, vehicle accidents, fire and hazardous incidents.

Currently fire station one is staffed with two personnel Monday - Friday, 8 am - 5pm. During this time we are responding with an emergency vehicle in less than one minute.

After 5pm and on weekends we rely solely on our paid on-call staff which respond from their homes to the fire station for the proper equipment. The response times can range between 5 and 6 minutes before a vehicle is on the road responding.

As part of our planning we are considering adding additional shift coverage with a goal to reduce our response times to less than one minute, which is essential in medical and fire emergencies. We will keep you updated through our website, Facebook and the Adaview of changes as they occur.

ARE YOU READY TO MAKE A DIFFERENCE?

Ada Township Fire and Rescue is searching for men and women who would like to make a positive impact in our community. If you are 18 years or older, live in Ada Township, are interested in becoming a paid on-call firefighter, and feel you are qualified to do so, contact **Chief Dave Murray** at **616-676-2376** or at dmurray@adatownshipmi.com.

Benefits include:

- Satisfaction of helping others in need
- Personal and physical challenge
- Retirement Benefits
- Life Insurance
- Honor of being part of the firefighter brotherhood
- Paid education and monthly training
- Uniforms provided
- No experience necessary

Thanks again for your continued support. Please feel free to stop by the station or contact me directly if you ever have any questions about your fire department. - David Murray, Fire Chief 616-676-2376

A NOTE FROM THE TREASURER'S OFFICE...

Summer 2016 tax bills are due in our office by 5:00 PM, September 14, 2016. After this time, penalty/interest will be added to all tax bills . . . no exceptions. If you choose to make a payment through your on-line banking you MUST give your bank at least 7-10 business days to process and mail us the check. **POSTMARKS ARE NOT ACCEPTED** as date paid.

If you have your taxes escrowed, a mortgage company is listed on your bill and they have also received a copy of your tax bill. If so, please keep this copy for your tax records. Some mortgage companies utilize a taxing service to gather all of your tax information. If there is a different name or code on your bill other than your mortgage company, it will indicate the taxing service name that your mortgage company utilizes. (Example: If Fifth Third is your mortgage company, they may utilize CoreLogic Tax Service. On your bill the mortgage code is COREL.)

The usual payment options still apply; by mail, in person, by credit card (see the reverse side of your tax bill for instructions). Credit cards are also accepted at the Township Hall. There is a fee of 3% of tax bill for all credit card transactions. Additionally, you may sign up for ACH electronic payments. Please contact our office for more information about ACH.

Winter tax bills will be mailed December 1, 2016. The due date for the winter tax is Tuesday, February 14, 2017 by 5:00PM. Remember **POSTMARKS ARE NOT ACCEPTED** as date paid. All payments received in our drop box between December 30, 2016, and 8:00AM January 3, 2017, will be posted as "received/paid" on December 31, 2016. After March 1, 2017, all unpaid real property taxes will be turned over to the Kent County Treasurers Office for collection.

UPDATES ON ADA TOWNSHIP PARKS

THANK YOU FOR YOUR SUPPORT!

A majority of Ada residents voted to support the Parks, Recreation and Land Preservation millage, Proposal 2, at the August 2 election. We truly appreciate the community support on this initiative and respect those who found it beyond their means or goals. Close to 80% of the millage funds go to operation of the parks, preserves, and programs. Other funding is applied to major facility repairs and upgrades. A percentage is also used for future properties and conservation easements. In addition, these funds are used to leverage matching funds for grants and donations.

ADMINISTRATIVE TRANSITIONS:

Organizationally, the Ada Township parks, preserves and recreation programs operated under the oversight of both a Parks & Recreation Committee and the Open Space Advisory Board. This year we combined those entities into one group entitled the Parks, Recreation and Land Preservation Advisory Board. In addition, our operations were supported by two millages, which were combined into one Parks, Recreation and Land Preservation millage through the August election.

ROSELLE PARK BUILDING NOW OPEN

The new facility opened this summer with the restrooms open daily 7:00 a.m. – 9:00 p.m. The new entrance and parking lot will be the main entrance for the park. So far, use in the "meeting room" included school field trips, meetings by local non-profit organizations and businesses, our summer youth programs and the August election. A series of public and school programs will be offered there this fall. Scheduling for use of the meeting room is now open for education programs, meetings and workshops by non-profit organizations, Ada community groups and local businesses. We are not ready yet to host or schedule private events or rentals. Contact the Parks office for reservations and fee structures.

THANK YOU TO DONORS

Thanks again to all the donors and supporters who helped with this new facility. We could not have done it without your assistance. You may still assist through donations or memorial gifts. Please contact the Park office for details or the updated "Wish List".

FARMERS MARKET

Perhaps you've heard the phrase, "know your farmer, know your food." So what the heck does that really mean?

When you buy directly from a farmer, you're pretty much guaranteed real freshness (we've all seen farmers' market produce last two or three times longer than supermarket produce). But it's also more than just about fresh. You have the opportunity to ask the person who is selling you product, "How are you growing this food?" Our farmers are delighted to share this information and any other details you want to know about their food. Just ask!

And, even if it's not "certified organic", you can still use the information they offer and begin to develop personal standards for what produce purchases make sense for you and your family. You, as a consumer at the Market, influence the quality and quantity of what is sold based on what you buy every week. If enough of you decide that a particular product doesn't fit in, vendors get the message and change up the mix.

More importantly, the items you do appreciate are there for others to discover. Most of our vendors come back year after year because of your support. They've learned to fine tune their product offerings to your tastes making the Ada Farmers Market look and taste like no other in West Michigan.

Another thing that makes us unique is the large staff of volunteers who make this Market a well-oiled event each week. We are so lucky to have access to adults and students who believe in what the Market is all about and are willing to give up time during the summer and fall to make sure things are in place and running smoothly. When you see them in the Market space, send them a thumbs up or say thanks for all their hard work! They really are the best of what's fresh.

We will be open through the end of October bringing you those brilliant fall veggies and fruits for the upcoming holidays. Think about putting extra away for later when the weather is getting colder and a spark of market fresh is just what dinner needs.

The vendors appreciate being able to take advantage of the great weather this year and are eager to bring what they are able to market. Keep their fresh selections flowing by shopping through the season!

Thank you for being part of the reason Tuesdays in Ada are so great! See you soon at the Market!

In December...

- Tinsel, Treats, and Trolley: The event is usually 5:30 pm at the covered bridge then throughout the village. The Ada Business Association presents a fun-filled way to kick-off the holiday season in Ada Township! It begins with a bridge lighting ceremony, followed by trolley rides with stops at area venues from 6 p.m. until 9 pm. The museum will be open and our halls will be decked.

- Holiday gifts and giving:

The museum gift shop is loaded with Ada-themed gifts for the holiday season. Newly arrived are prints and notecards from original paintings by local artist, Jeanne Rockett. Rockett has created four unique paintings from original historic photographs in the museum collections. Available too is AHS's latest publication, "A Snug Little Place," Ada, Michigan, 1930-1980, an interesting look back at the village's not-so-distant past.

Since its inception in 1974, AHS has been fortunate to receive ongoing support from members and the community. We simply could not operate the museum and host events without this generosity. We ask that you keep the museum in mind as we move into the season of giving. Please stop by the holiday wreath sale fundraiser, shop for unique Ada gifts in our gift shop, or gift loved ones with a donation made in their honor. Please call or email us with any questions.

January & February - the museum is closed for visitation during these months. Please contact AHS with any questions.

Calling all amateur photographers! Do you love to take photos? Do you have a cell phone & love to use it? Do you love to post on social media? Or would you simply like to help us preserve Ada history? We have a deal for you.

The village is undergoing significant change and will continue to grow. If you take any photos of the changes, consider sharing a copy with AHS and we will add them to our community archives. Buildings coming down and going up, you and friends enjoying new amenities or sites in the village, even favorite photos of the last few decades in Ada, digital or printed photos. Please email, post to our Facebook, mail to the museum - whatever it takes!

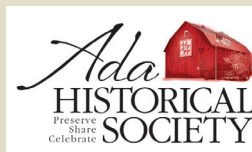

For future generations to know Ada as we experience it, we need to document it. And a picture is worth a thousand words.
