## THE ADA FARMERS' MARKET

As the summer is turning to fall, the Market displays the brilliance of the season with cabbages, eggplant and carrots, apples and the last of the blueberries! As many folks choose this season to can these fresh flavors, you can learn for yourself as we introduce you to the Canning Diva, who will be demonstrating some simple ways to keep the season's harvest in a jar, during the last weeks of the Market. Specific dates will be announced for classes during

Market hours on our website – [www.adafarmersmarket.com](http://www.adafarmersmarket.com). These classes will be available for a small fee to cover the cost of demonstration materials. For those who have never tried canning, this is a great introduction on the how-to's of preservation.

Also remember to grab your market basket before the end of the season! Proceeds from the sale of the baskets fund market operations every year. Choose from four styles and two sizes. They make great gifts for any occasion. Prices are \$35 for the large baskets and \$15 for the small. You can also peek at some of the choices online at our website.

The end of the season means losing valuable student volunteers who help out with various market tasks each Tuesday. We want to publicly thank these great kids: Christopher Hodgson, Courtney Koskela, Natalie Shabahang, Emily Gawrych, Grace Gawrych, and Bradley Thomas.

Thanks also to our wonderful crew of adult volunteers who generously donate their time to set up, take down, organize kid's activities, coordinate musicians and manage the token

system. Thanks go to Mary Lynne Drumheller, Ric Bogerd, Neil Smith, Neil Sullenger, Amy Owsinski, Beth Czekaj, and Sandi Nicely.

We also are grateful to the Community Church, and Pastors Billy and Mara Norden for their support and assistance. Lastly, we thank the vendors and the public. Each meets to build and support the special qualities of this vibrant market, making it the best place to be on Tuesdays, from mid-June until the end of September, every year.

We hope to continue to see you at the Market for the rest of this year and beyond. Remember to keep up with us on Twitter and Facebook while the Market is closed.

past would have reveled in the community's favorite summer tradition: the Old Settlers Picnic. This tribute to Ada's pioneer residents saw thousands of attendees from throughout West Michigan gather for a day of good food, wonderful music, engaging speeches, and wistful remembrance in the shade of the Grove. From 1886 until the event died out in the 1930s, the community gathered in celebration of Ada's past, present, and future on the land near the corner of Ada and Thornapple River drives—behind what is today the gas station. Now, with the Ada Village Design Plan in process, the story of the Grove and its picnics takes center stages at the Ada Historical Society, reminding us of the value of a central, communal space and an event around which we all can gather.

## FIELD REVIEW NOTICE

The Assessor is required to appraise, for tax purposes, all real and personal property within the Township. Michigan Statute requires that all property be evaluated annually based on current market conditions. This evaluation requires an inspection of each property in the Township.

This includes measuring all buildings and other property improvements on the property, taking current digital photos of the property, verifying the buildings current physical condition reviewing the amenities present, and interviewing the property owners to determine bedrooms, baths, and type of basement, etc.

The State of Michigan has recommended that 20% of properties in a governmental unit be visited each year to review assessment record accuracy and to ensure that properties are being appraised and assessed at 50% of the market value. In efforts to continually improve our excellent standards, the Assessor’s office strives to enhance the annual review process and better meet or exceed the State of Michigan’s expectations. The goal is that the Assessing office will review at least 20% a year of the Township, then every single property is visited at least once every 5 years.

If one of the inspectors from the Township arrives wearing a Township issued I.D. badge and carrying a clipboard and digital camera and knocks on your door requesting to review your property, please welcome them. Accurate assessments benefit everyone in the community.

## PLEASE INFORM THE ASSESSOR’S OFFICE OF YOUR MAILING ADDRESS UPDATES

## DEPUTY ROE – EAST PRECINCT

### BACK TO SCHOOL

Summer is coming to a close and Fall will be upon us. Kids are headed back to school and buses back in the morning commute. Last year we had some problems with school buses being passed while they had the flashers going. I thought this year I could add some clarification.

### THE BUS WILL SLOW AND TURN ON YELLOW FLASHERS

- Use caution as the bus is going to stop shortly.

### THE BUS TURNS ON RED FLASHERS AND STOPS, AN ARM PERTRUDES FROM THE DRIVERS SIDE

- Stop your vehicle completely, even if you are on the opposite side of the road. The exception is if the roadway is divided by a median.

## FROM THE TREASURER.....

Summer 2013 tax bills are due **in our office by 5:00 p.m., September 16, 2013**. After this time, penalty/interest will be added to all tax bills no exceptions. If you choose to make a payment through your on-line banking you **MUST** give your bank at least seven (7) business days to process and mail us the check. **POSTMARKS ARE NOT ACCEPTED** as date received.

If you have your taxes are escrowed, a mortgage company is listed on your bill and they have also received a copy of your tax bill. If so, please keep this copy for your tax records. Some mortgage companies utilize a taxing service to gather all of your tax information. If there is a different name or code on your bill other than your mortgage company, it will indicate the taxing service name that your mortgage company utilizes. *(Example: If Fifth Third is your mortgage company, they may utilize CoreLogic Tax Service. On your bill the mortgage code is COREL.)*

The usual payment options still apply; by mail, in person, by credit card (*see the reverse side of your tax bill for instructions*). Credit cards are **NOW** accepted at the Township. For credit card payments there is a fee of 3% of tax bill. Additionally, you may sign up for ACH electronic payments. Please contact our office for more information about ACH.

Winter tax bills will be mailed the week of November 25, 2013. The due date for the winter tax is February 14, 2014 by 5:00 p.m. Remember **POSTMARKS ARE NOT ACCEPTED** as date received. All payments received in our drop box between December 31, 2013 and 8:00 a.m. January 2, 2014 will be posted as “received” December 31, 2013. After March 1, 2014 all unpaid real property taxes will be turned over to the Kent County Treasurers Office for collection.

Dog licenses for 2014 will be available in our office starting December 1, 2013 through March 1, 2014. The State of Michigan requires all dogs age 4 months and older to be licensed. In order for a 2014 license to be issued, a current rabies certificate, and proof of neuter/spay must be presented. You can secure a copy of these documents through your veterinarian.

## Update on Roselle Park Roselle Park Construction Project

This year’s project included the construction of a new park entrance, driveway and parking area across from Michigan Street and north of the current entrance. Eventually this will become the main entrance to the park. The parking lot area was left as gravel for the short term and will be paved next year. This phase of work is preliminary to building a Community Center on the site, possibly as early as 2014.

In addition, the climbing holds on the silo were upgraded and a playground area was established next to the silos. Some of the adventure-based playground equipment has been installed while other items are waiting for donations.

Over the next few months we will be working on design plans for the Community Center building. Watch for postings regarding public input sessions.

Anyone interested in making a donation, memorial or otherwise, towards the playground equipment, new building or other park amenities should contact the Park office or website for details.
